Ryan is not obsessing....

But she does want to lose weight. Ever since she was outted as a "fat girl" at cheerleading camp in fifth grade, Ryan's been on a mission to shed more than a few pounds.

Lately she's also on the hunt for a new relationship. Now that her ex- boyfriend is a rock star - currently posing on the cover of Rolling Stone - Ryan seriously needs to move on. They haven't spoken in months, but in the magazine Noah's wearing the bracelet Ryan gave him. She can't help wondering what that means...Not that she wants him back or anything.

No, Ryan's plan is to make the most of senior year. After all, she's popular, funny, a talented photographer...she's got a lot going for her. So it's not all about losing weight or gaining a boyfriend. It's about getting what she wants. And it's about time.
